**Builder Recommendation**

We recently came to the Boise/Meridian area and were looking for a patio home. When we saw a Ted Mason Signature home we new that we wanted him to build us a house. The homes he'd built were nothing less than incredible, but we wanted to move and move NOW! He said he could build us a house quickly but we wanted it within a couple weeks so we got a house that he had recently built and it was perfect for us! We wouldn't recommend any one other than Ted Mason. His homes are amazing, not to mention done with incredible detail and quaility. He personally took the time to make sure all of our needs were met and that the home was done to our satisfaction, and it wasn't even a custom built home! Even after the sale Ted came back to check and make sure that we were still satisfied, now thats what we call customer service! Need a builder? Give Ted Mason a call, you won't be disappointed!!!!

**Why should your builder be recognized for Construction Excellenc?**

Ted Mason is not only an amazing builder but also knows how to keep his customers happy with his awesome customer service skills. With one look at his incredible work and fine detail it's easy to tell Ted Mason is the right builder. We wouldn't recommend any one else thats for sure! Right from the moment we began working with Ted he was always right on top of things making sure we were satisfied and that things were getting done and getting done on time. He even went above and beyond our expectations and the home that we purchased wasn't even a custom built home.
